### DETAILED ACTION

The reply filed on February 27, 2004, is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

Applicant has still failed to appropriately address the objection to Fig. 2, as detailed in the Office action mailed July 31, 2003 (Paper No. 6). In particular, Applicant has not submitted corrections in compliance with 37 CFR §1.121(d), which states (in relevant part):

One or more application drawings shall be amended in the following manner:  
Any changes to an application drawing must be in compliance with [37 CFR §1.84] and must be submitted on a replacement sheet of drawings which shall be an attachment to the amendment document and, in the header, labeled "Replacement Sheet."

Further, Applicant has maintained and again presented original claim 22 as new claim 42 (see Applicant's remarks on p. 10, in lines 1-5, of the reply filed February 27, 2004) without appropriately addressing the objection and rejections applied to original claim 22 in the Office action mailed July 31, 2003 (Paper No. 6).

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, or the remaining time period for reply set forth in the Office action mailed July 31, 2003, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.
